

## Start your pursuit in Democratic politics with the Donna Lynne for Colorado Fellowship

Fellowships with the Donna Lynne for Colorado campaign are a great opportunity for hardworking individuals to gain hands-on political experience, develop a fuller understanding of the political process, and help make a difference in Colorado's state government. Through a fellowship with Donna Lynne for Colorado, you will learn the essentials of Democratic politics, help elect progressive leaders to all levels of government, and contribute your talent, energy, and ideas to advance the Democratic cause. This is a great opportunity to make sure the Governor's office stays in Democratic control!

Fellows produce high-level work in a variety of areas. Fellowships also offer great networking opportunities and frequently launch ambitious individuals into jobs in politics. The Donna Lynne for Colorado fellowship will be working directly with the Donna Lynne for Colorado Field staff and fellows will gain exposure to many aspects of campaigns. This is an unpaid fellowship.
